And now for my next number, I'd like to return to the classic

This time when i feel my self open up
Even though i dont want to
And one side of me says kill her
But that just wont do
So i say we're through
So i say we're

Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY!
Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY!

I think its time to pack your things lets go
To a place where we both know
And dont worry, I'll drive real slow
Spend some time before we go
Spend some time before we go
So I say we're

Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY!
Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY!

Get up in your face with the sickness the quickness
Dialect, I inject
We'll be up talking, kissin all night
To make you feel right
So I say we're through
It doesn't sink in to you
Oh, please dont make me
LIKE YOU!

But that just wont do
So i say we're through

Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY!
Stop and stare what the fuck you dont know me!
Stop and stare what the fuck you dont know me!
I, DONT, KNOW, WHY
