The first time I knew that I wanted you
The second time I knew that you felt it too
Every time you're next to me
I lose control, baby, can't you see
I need to let you know just what I'm feeling inside

I'm falling, slowly in love with you
I'm falling, I know that you feel it too

I know wherever you're next to me
Oh, boy, there's nowhere I'd rather be know
I wanna be close to you
I know that you feel it too
I need to let you know just what I'm feeling inside

I'm falling, slowly in love with you
I'm falling, I know that you feel it too
I'm falling, slowly in love with you
I'm falling, I know that you feel it too

Every time you're next to me
I lose control, baby, can't you see
I need to let you know just what I'm feeling inside
get it boy

I'm falling, slowly in love with you
I'm falling, I know that you feel it too
I'm falling, slowly in love with you
I'm falling, I know that you feel it too
