Moving backwards fast, getting out of our heads
It's not complicated.
What we don't know, we'll never forget.
Celebrated.

Living like the magazines.
On the edge of seventeen.
Going all the way
It's got to be, you and me.

(Chorus)
If the world ends tomorrow,
Even if we never wake up,
We'll be Somewhere Together.

Put your head on my shoulder
Even if it all crashes down
We'll be Somewhere Together.

We're out in the field, but we're going to bat.
No guts, no glory.
Gonna do it our way, 'cause we know where it's at.
And that's the story.

Living like we're in a dream.
This could be our final scene.
Going all the way
It's got to be, you and me.

(Chorus)

(Instrumental break)

If the world ends tomorrow,
Even if we never wake up,
We'll be Somewhere Together.

Put your head on my shoulder
Even if it all crashes down
We'll be Somewhere Together.

...Together(2x).
