I found a love,
But It didn't last
Wonderful days
Belong to the past

I don't know where I stand
What I'm to do
Try to forget
And to find someone new

So I pray on my knees
To heaven above
Send me somebody, please
Someone to love

Now to get to my story
Give me your hand
Don't let me down
With a heart to be damned.

I found a love,
But It didn't last
Wonderful days
Belong to the past

I don't know where I stand
What I'm to do
Try to forget
And to find someone new

So I pray on my knees
To heaven above
Send me somebody, please
Someone to love

Now to get to my story
Give me your hand
Don't let me down
With a heart to be damned.

Go insane!

Bring the beat back!

Stain' on the edge!

Yes!

Check this out!

I found a love,
But It didn't last
Wonderful days
Belong to the past

I don't know where I stand
What I'm to do
Try to forget
And to find someone new

So I pray on my knees
To heaven above
Send me somebody, please
Someone to love

Now to get to my story
Give me your hand
Don't let me down
With a heart to be damned.
With a heart to be damned!
With a heart to be damned!
With a heart to be damned!
