I've been waiting here  
Passing time, standing in line  
I've been dying here  
Less than fine and criticized  
I don't think you understand  
Don't try to understand

Where are you now?  
Alone and resting quietly  
Just like me

Just say another word 'cause  
It never fails but you're make-believe  
So I make-believe that hope is still there

Where are you now?  
Alone and resting quietly  
Just like me [2x]  
Where are you now?  
Alone and dreaming frightfully  
Just like me [2x]  
Yeah...

Where are you now?  
Alone and resting quietly  
Just like me [2x]  
Where are you now?  
Alone and dreaming frightfully  
Just like me [4x] Yeah
