If I could help it  
If I would have known  
Your dark skin glistens proud in the sun  
Then you walk away, walk away, walk away  
and I am left with none

I sit around and wait and I don't know why  
You sit around and wait for me to die

Last night I jumped right out of my skin in my bed  
Bless you child for you don't know what you did  
Just when I thought my heart had the time to mend  
You go and steal it right off my sleeve like a trend

Go back to him  
Run back to the one you love  
I am not him but sometimes I wish I was  
I wish I was

I wake up, I wanna go back to sleep in my bed  
'Cause I hear echoing words in my hear, I don't  
understand  
I can't so I try to enjoy the sun  
How can I stand here with you and not be touched

I am leaving I am leaving  
It's funny how you wanted to  
I am leaving I am leaving  
I wanna say goodbye to you  
Goodbye

Lyrics and music written by Shane Hebert
