Candlelights are burning, you listen to my voice.
I know you are virgin, you know you got no choice.
This is the night we dreamt of,
I wan't to take through the door of your desire.

I'm moving carefully to your bed, you are lying there,
Naked with closed eyes.
I can see you're burning - we begin to sin...

My hands are touching your warm skin,
My tongue is sliding your body.
It goes so deep so gentle between your legs.
I'm diving into your ocean and taste your...
Come and make me high, do everything you want.
I'll be yours - i'm your passion.
