Every day it's still the same  
I don't know what to do with my life  
I don't know where I belong to

Every night it's still the same  
I wake up crying from my dreams  
I have these nightmares again  
All these past visions

People hate God, people hate God

I'm asking me, should I pray?  
Or does nothing really make sense?  
Is there someone watching over me?  
Does anybody care about my life?  
Can anybody rescue my soul?  
Will I be damned forever more?  
Or will there be a light at the end?

(I want to serve the darkness, I refuse the light)

Will I go to Heaven, will I go to Hell?  
Will there be a life after death?  
Or will I be, will I be  
Will I be forever lost?  
Will the darkness take control me?  
Do I have to serve the Devil?  
Should I try to remain holy?  
Should I regret my sins?  
(Let the darkness take control of me  
I want to serve the Devil  
I don't want to be only like you  
And I will not regret my sins)
