Don't know if you got a girl  
Don't mean to disrespect but  
Thoughts of you rule my world  
I even dream of you I swear  
Visions of you and I  
See you all around my way  
Been meaning to say "Hi" but  
I'm just way too shy  
I gotta make you see this is  
More than just a silly crush

Wonder if you even notice me at all  
You gotta feel me  
Would love you good  
Just wanna be your girl

All alone at night  
I harbor feelings for you  
Holding my pillow tight  
Sometimes I even touch myself  
Imagining your pleasure baby.  
Next time I see you I'm  
Gonna walk right up to you and  
Say what's on my mind  
I gotta make you see, this is  
More than just a silly crush

Wonder if you even notice me at all  
You gotta feel me  
Would love you good.  
Just wanna be your girl

I wonder if you even notice me  
Ooh you gotta feel me  
I would love you good  
Just wanna be Just wanna be  
Just wanna be your girl  
Wonder if you even notice me at all  
You gotta feel me  
Would love you good.  
Just wanna be your girl.
