You watched me fall
Stood over me as I hit the ground
Then he whispered his name in my ear
Such a dark familiar sound

Cupid's got a gun
And he shoot me with it
Cupid's got a gun
And he shoot me with it
Now who said he's a lover
Really he's a murderer

Crush, crush, crush - why you crush my heart?
Why when I try to leave you gon brush my car?
Why you crush, crush, crush - why you crush my heart?
Why when I try to leave you gon brush my car?

[Nicki]
I'ma put on my long poofy skirt
Man I shoulda known he would do me dirt
So miserable, I'ma storm through the puddle
Cupid's got a weapon, got a part with the devil
Tell him that I'm done, tell him that I'm not here
Hit him with a lamp, I'ma hit him with a chair
Throw the two-sign, I'm done with son
Slow-mo as the bullets race from the gun

Now girls, go and get your gun
Goin' b-b-back, b-back for fun
Girls, go and get your gun
Yell click-click-clack, look back for fun

I-I-I-I thought I could trust him
But I-I-I-I didn't see it coming
Cuz cupid's got a gun
And he shoot me with it
Cupid's got a gun
And he shoot me with it
Now who said he's a lover
Really he's a murderer

Crush, crush, crush - why you crush my heart?

Why when I try to leave you gon brush my car?
Why you crush, crush, crush - why you crush my heart?
Why when I try to leave you gon brush my car?

I should have known
By the way he took my breath away
And the way he held me
Often hurt me
He told me love was pain
I saw the windin' road
Spinning out of control
Surrendered to his wrong direction
Now I don't know where to go
Cuz cupid's got a gun
Cupid's got a gun
Now who said he's a lover
Really he's a murderer

Cupid's got a gun
And he shoot me with it
Cupid's got a gun
And he shoot me with it
Now who said he's a lover
Really he's a murderer
