[Chorus:]

You had a lot of chicks trying steal your heart
Never really had luck, couldn't never figure out
How to love
How to love
You had a lot of moments that didn't last forever
Now you in the corner trying get it together
How to love
How to love

[Bridge:]

For a second you were here
Now you over there?
It's hard not to stare, the way you kick it and I was
Like you never had a love
Never had a love, oh

When you was just a young and your heart was so
precious
But now you're grown up
So fly it's like a blessing but you can't see a chick in the
club for 5 seconds
Without trying to take her home
You got hurt one time so when you got older
It's seems like you giving every girl the cold shoulder
Now you're sitting here in this damn corner
Trying to make them pay for somebody else's carma

[Chorus:]

You had a lot of chicks trying steal your heart
Never really had luck, couldn't never figure out
How to love
How to love
You had a lot of moments that didn't last forever
Now you in the corner trying put it together
How to love
How to love

[Bridge:]

For a second you were here
Now you're over there

It's hard not to stare the way you kick it's almost
Like you never had a love
Had a love

You had a lot of dreams that transform into visions
Affected your saw the world, affected your decisions
But it wasn't your fault
Wasn't your intentions
To be the one talking to me, be the one listen
But I admire your poppin' bottles and tipping'
Just as much as you admire late night and tricking
Baby, so don't be mad
I ain't over here tripping
You see a lot of chicks even chicks still change

See you had a lot of chicks trying steal your heart
Never really had luck, couldn't never figure out
How to love
How to love
You had a lot of moments that didn't last forever
Now you in the corner trying put it together
How to love
How to love

Oooh,
See I just want you to know
That you deserve the best
You're incredible
You're incredible
Yeah

And I want you to know, you're far from the usual
Far from the usual

[Chorus: x2]

[Chorus:]

You had a lot of chicks trying steal your heart
Never really had luck, couldn't never figure out
How to love
How to love
You had a lot of moments that didn't last forever
Now you in the corner trying put it together
How to love
How to love
