"I Don't Wanna Know"

(Answer mother fucker aim)

Somebody said they solve you
The person you were keep it wasn't me
That I will never rescue you

I'll just keep it to myself

I don't wanna know
If you failed me, keep it all alone
'Cause my heart can't take it anymore
And if you're creeping, please don't let it show
Ooh baby, I don't wanna know
Oooh, ah babe

I think about when I've hold you
When looking into your eyes I can't believe
I don't need to know the truth
Oh, baby keep it to yourself

I don't wanna know
If you failed me, keep it all alone
'Cause my heart can't take it anymore
And if you're creeping, please don't let it show
Ooh baby, I don't wanna know

Does she touch she bad than me?
Does she watch you front asleep?
Does she show you all those things
That you use to show to me?
If you're better rough that way
All you wanna now to say
All of your things
Stay away from me.
