Come inside, take off your coat, I'll make you feel at home
Now let's pour a glass of wine 'cause now we're all alone
I've been waiting all night so just let me hold you close to me
'Cause I've been waiting for you boy to make love to me

Boy, you make it feel real good
We can do it till we both wake up
Boy, you know I'm hooked on you
And this is what I'll do

I wanna love you, boy
I wanna sex you up
All night
Boy, you make me feel
I want to sex you up

Let me take off all your clothes
Disconnect the phone so nobody knows
Let me light a candle
So we can make it better
Making love until we drown

Boy, you know it feels real good
We can do it till we both wake up
Boy, you know I'm hooked on you
And this is what I'll do

I wanna sex you up
I wanna lay here
I wanna sex you up
All night

All I wanna do
I wanna love you, boy
I wanna sex you up
All night

Boy, you make me feel

I want to sex you up
Make sweet loving all night long
I wanna sex you up
Feel so right, it can't be wrong
Don't be shy, boy, get with me
I wanna sex you up
Open up your heart and I'll set you free
