Touch me right there, like you miss me already
See Iâ€™m a make you wish you never did what you did
to me
And when I leave you there Iâ€™m a make you beg, beg
for me
See Iâ€™m a write my name all over your sheets yeah
Iâ€™m a make it good, for the last time
Iâ€™m a make it good, for the last time
Iâ€™m a make it feel just as good for him as I did for you
Iâ€™m a make it feel good, for the last time oh
Should of got it when you had it, when the? was good
He gon like the way, way I feel on top
And Iâ€™m a make him say the same things that I heard
you say to me
So let me practice babe tonight, before I, before I go
give it away
Iâ€™m a make it good, for the last time
Iâ€™m a make it good, for the last time
Iâ€™m a make it feel just as good for him as I did for you
Iâ€™m a make it feel good, for the last time oh
Should of got it when you had it, when the? was good

[Busta Rhymes]

Oh thatâ€™s how you really feel
You gon let him lick the pussy how like I lick it (oh man
what the fuck) Spread it open like? so he can stick it
Come here let me put my face so far in it I could
probably see your lung
Soon as Iâ€™m coming up for air Iâ€™m a kiss you on your
mouth so you can taste your salt on my tongue
Taste good right, I feel the way I make your body
shiver, I donâ€™t care what you say itâ€™s the last time, oh
never mind that Iâ€™ll make you reconsider
Ok babe let me adjust you a little, now you laying on
your stomach, nibble on your neck, tickle on your pearl
with my finger put that arch on your back how I love it
Breathe, a little heavier for me, as we get in to it, ?
Iâ€™m a give it to you like nobody ever did, play with it,
make it swim a little bigger
I ainâ€™t gonna stop you if you really wanna leave
But make sure I donâ€™t see you with that other nigga

Iâ'm a make it good, for the last time
Iâ'm a make it good, for the last time
Iâ'm a make it feel just as good as for him as I did for
you
Iâ'm a make it feel good, for the last time oh
Should of got it when you had it, when the? was good
