(Intro)

(Lil Wayne)

Come to the other side.
Live, love, or die.
Weezy baby turn that bitch into a butterfly.
Young Money honey, we make you come alive.
I stick my lightning rod between your mother-a-a-a-a...

(Shanell)

Weather we come to hide.
Share our feelings we keep it inside.
Weather the kiss go to play.
After the midnight is slippin' away.
I know a place where we can go.
Just you and me would have to know.

(Chorus - Shanell)

Come into the other side.
Judges slippin' in tonight, you can let it go.
No one c'mon come alive.
Every boy and girl in sight.
Welcome to the other...
Welcome to the other side.
Welcome to the other...

(Ne-Yo)

Get up and shake the day of your jacket.
We disagree, we painting a practice.
One day a get on a tea, your a goner.
We do the things we want when we want to.
I like the love to move through my chest and,
I like the beat to do the same thing.
My suit and my fedora, my passion.
My tea in me is me I can't change in no...

(Shanell Secondary Verse)

Get your inner viscous at the door.
They're coming back and back for more.

(Chorus - Shanell)

Come into the other side.
Judges slippin' in tonight, you can let it go.
No one c'mon come alive.
Every boy and girl in sight (sight...)

Come into the other side.
Judges slippin' in tonight, you can let it go.
No one c'mon come alive.
Every boy and girl in sight.

Come into the other side.
Judges slippin' in tonight, you can let it go.
No one c'mon come alive.
Every boy and girl in sight.
Welcome to the other.
