Hello, yo, what's up? This is Jamie, what you doing?  
I was just thinking about you  
Yeah, I was thinking about you too  
I just got one question to ask you though  
What's that? What do you have on right now?

T-shirt and my panties on  
T-shirt and my panties on  
T-shirt and my panties on  
T-shirt and my panties  
Got my t-shirt and my panties on

Picture this, I'm in my bed, body's hot, soak an' wet  
Thinking 'bout the things I like to do  
(I like to do)  
I'm open wide when it comes to freakin' you  
(Freakin' you)

Imagine me, wet as can be, between my legs  
(Imagine me)  
You tasting me, boy, when you get here ya know my  
(Tasting me)  
Love will over flow and you ain't got to worry 'bout my  
clothes  
'Cause I got my

T-shirt and my panties on  
(Just how ya like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on

T-shirt and my panties on  
(Just how ya like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on

Don't be surprised when you come inside  
Saddle up and be prepared to ride, up and down, back  
and forth  
Can you feel me, baby? Why don't you just take your  
time?

Tonight you're mine  
Gonna turn around, hit it from behind  
Boy, now that you're here, you know my love will over  
flow

And you ain't got to worry 'bout my clothes, 'cause I got  
my

T-shirt and my panties on  
(Just how you like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on

T-shirt and my panties on  
(Just how you like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on

T-shirt and my panties on  
(Just how you like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on

Don't you know? I'm feeling kinda sexy  
Now, that we are all alone, baby, can we do the nasty

In the privacy of our own home, baby, come a little  
closer  
I unplugged all the telephones because tonight is  
special  
I got my t-shirt and panties on

T-shirt, I'm waiting for you, panties  
I'm waiting for you, t-shirt  
I'm waiting for you, panties  
I'm waiting for you

T-shirt and my panties on  
(Just how you like it)  
T-shirt and my panties on  
(Waiting for you)

T-shirt and my panties on  
(You can't deny it)  
T-shirt and my panties  
Got my t-shirt and my panties on
