Hurry hurry up I got a question that needs to be
answered
I really wanna know
I need to know about you/it
I never knew some many emotions
Could add up to mean the same thing
It's taking over about to give in
I wish I could break these chains I wanna live
Feeling like my freedoms gone
But I don't wanna be alone and write another sad
song
I just really wanna know what is love
(what is, what is)
What is love?
(what is, what is " What is love?)
If it's so easy to let it go
Please define the word unconditional
What is love?
(what is, what is)
What is love?
What does it have to be
What is love?
If it's so easy to let it go
I wanna know
I need know
It's never ending couldn't see it over
You tell () it's getting closer
Shouldn't hurt but the growing pain is something
that I can't explain in and out again
I'm falling even deeper in the ocean
But not drowning on a need
Breathing in the sea
Such a four letter work so hard to believe ()
I can love again
Teach me to breathe again
Show me how to trust again
Its killing me slow
Damn, I really need to know
What is
What is
What is love
If it's so easy to let it go please find the word

unconditional
What is love
What is
What is
What is love
What does it have to be
If it's so easy to let it go
I wanna know
I wanna know
I wanna know
