"Fascinating! Absolutely fascinating!"

[Money B]

Hip hip hip-a-hip-hooray, DJ Fuse is here to stay

Raw Fusion DJ, hey hey!

Hip hip hip-a-hip-hooray, DJ Fuse is here to stay

Raw Fusion DJ, hey hey!

You say you're new to the style that's worth your while

Prepare to come follow me now

Money is givin you 'nuff of the stuff

and I'm pumpin it wicked and w-ild {\*cough\*

You're new to the style that's worth your while

Prepare to come follow me now

Invitin you down where the writing's exciting

enlightening the gun POW

Sty-lee, sty-lee - what does it mean when it seems

that everyone in the game CLAIMS

to be number one and some of the think the wackness  
is the newest

And none of the ten MC's out there

shot and popped and failed to prove this to me

Cause style-a-style is a style, and even a child knows  
this

Raw Fusion is what I call this one folks and it's the  
antidote

Been rockin the wack, attackin the pack of newjacks I  
get the flak from

Umm, ahh, you're shakin and givin me the fits and so I  
black one

Cause some of the peoples scrupulous

schooled in just stuff I'm paintin

They're tugin and pokin and pullin and jokin

and all of their heated debatin

But Clinton's funk they all should wear with me

They say HOW Ron?

I tell them Styleetron they stop and stare

and say wow Ron!

What is it where is it what does it do

and how did you learn to use it?

I tell 'em all it's the nucleus and only DJ Fuse gets

the props for havin the chops to operate in how to use  
this

The birds, the bees, and the trees, and all of the

loops and breaks he chooses

get added, splice, purified, may the lightning

from the Styleetron strike me down if I lied

The chain reaction packs a hell of a punch and such we  
did so much

to christen DJ Fuse the bio-stylee technician, so..

Hip hip hip-a-hip-hooray, DJ Fuse is here to stay

Raw Fusion DJ, hey hey!

Hip hip hip-a-hip-hooray, DJ Fuse is here to stay

Raw Fusion DJ, hey hey!

{\*DJ Fuse cuts'n'scratches\*

[computer voice]

Stylee of DJ Fuse and Money B

The Styleetron rests in total expressive FREEDOM

Examine, your, options

[Money B]

Now, I go with the flow, the show low, he'll stick ya stick  
ya

And runnin off styles for miles and I'll, get wicked  
witcha

Me takin a fall CHILD PLEASE, now pick a picture

that I can not imagine cause I'm smashin ya and I'll  
admit ya

gave it a nice try, but nice guys, they finish last

Now stand still tobacco pants and let me SMOKE ya ass

It's been a long day and I've been fiendin for a booty  
HA

I need to hear ya like a coochie needs the cooties

Try to be tough, and give up, you snap a head instead  
of talkin that

stuff, straight out cause I'll leave rappers dead I'm  
cock-strong

You're wrong, if you think Ron won't wreck shit I get  
busier

than a one-legged man in a butt-kickin contest

My mind, is sort of like attackin if you check it

you would find, that I could hit you with the clip don't

trick

cause I've no time, shoo fly don't bother me

Don't even try to be startin jack shit

Cause I flip you get hit quick

Get slapped like that, you get curled like a bicep

And flies get swatted - you want beef? I got it

In the freezer with the wine, before we take a sip

here's a toast to you.. sucking my dick!

.. you're on my dick but you can't have it..

.. you're on my dick but you can't grab it!!..

"Fuck you.You're an asshole.Fucking jerk.

Eat shit.Eat shit.You're an asshole.Eat shit."
