Verse 1:

(Cadence)

I just stepped inside the pro-lab  
dropped the vocab  
that was so fab  
so you can go blab  
to two friends and so on and so on  
As I go on I'm stacking the deck  
I write rhymes in red ink  
so I come correct  
I don't run off at the mouth  
my ass cashes mic checks  
I don't have wealth to flaunt  
so I won't crash my Lex  
I take time to express  
The BPM's guiding me  
So every minute that I'm in it you can count to 93  
Yo Pitch you're eyeing me  
You need a jump for the sound?

(Pitch)

... well let's run Positive to positive  
and negative to ground  
The RP lab is underground  
making beats that are stunning  
so to increase the volume  
simply turn up the plumbing  
during summers I usually chill on the Cape  
Circulating through the air like pre-released Tribe tape  
People want to know if I made it yet  
well if you want to find out  
just check my last cassette  
made a lot of demo tapes  
and then sent 'em to the labels  
But trying to get a deal is like Brooklyn getting cable  
No diss to Brooklyn that's my old home town  
formulation  
integration with that RP sound

turning oxygen to thought  
is what I'm all about now  
kickin verbs so absurd  
gift of gab like mockingbirds  
droppin' words in conjunction  
RP production

Queens represent  
buy the album when I drop it

Verse 2:

(Cadence)

I'm a record button  
Too many rappers depress me  
I'm know I'm not alone  
Cause I'm not Lisa Marie Presley  
and crews are multiplying and dying  
"Quik"-er than Nestle  
it's senseless  
Pack all those guns and still defenseless  
And they d
