#### CHORUS

We live in a city of moany people  
We live in a city of moany people  
its such a shame that our neighbours are moany  
people  
but trust me im not one of those moany people

#### VERSE

I look out of my window i see the trees are blowing  
so i decided to go and knock for my friends  
and then my neighbour says  
why did you knock on my door  
i said i didnt knock on your door you stupid hor  
your so rotten you look like a apple core  
she said why did you say that for  
i said it cos you came out of your door

#### CHORUS

We live in a city of moany people  
We live in a city of moany people  
its such a shame that neighbours are moany people  
but trust me im not one of those moany people

#### VERSE

I wrote this song it took me 40days and 40night  
i didnt get no sleep and i couldnt watch big brother  
i popped my head out of the window for a second time  
but this time the trees werent blowing the dog was  
barking  
and if the dog wasnt barking then the wolfs howling  
and if it wasnt that  
then it would be something else.  
one more time now!

#### CHORUS

we live in a city odf moany people  
we live in a cityn of moany peo[pl  
its such a shame that our neighbours are moany  
people.
