#### Verse 1:

I can see the tears in your eyes  
I can see the pain in your heart  
But when you're down and out  
I'll be the light in the dark  
To give you hope and strenght  
To give a new day to start  
Here in my heart I love you  
More than you'll ever know  
Because I love you so much  
I don't want to let you go...

#### Verse 2:

The first time you knew me before  
You're in love with me so much more  
But suddenly you've lost that fire  
Always remember your my heart desire  
Here in my heart I love you  
More than you'll ever know  
Because ilove you so much  
I don't want to let you go...

#### Bridge:

When you feel like you're falling down  
I will lift you up  
And feel my love...

#### Instrumental

#### Chorus:

I'll do anything for you  
There's no limit to waht I'll do  
Here in my heart I love you  
More than you'll ever know  
Because I love you so much  
I don't want to let you go...  
Because I love you so much  
I don't want to let you go...
