Long Black Nylons, Long Black Nylons, 5inch heels and  
flowing curves,  
That's the way that, I discovered some were boys and  
some were girls.

In the village I remember when we kids, were in our  
teens, everybody looked  
Alike there, in their boots and tight blue jeans.

Till a salesman from the city dropped around there  
once or twice and he  
Changed our little village, with his fancy merchandise.

Long Black Nylons, Long Black Nylons 5inch heels and  
flowing curves, that's  
The way that, I discovered some boys and some were  
girls.

Just imagine when I found out, freckle Joe was Suzy  
Brown and the guy I  
Used to fight with, was the cutest girl in town.

Some looked better in a sweater, some looked best in  
taylored clothes, but  
They all looked ring ding dinga in those Long Black  
Nylon hose.

Oh those nylons Long Black Nylons how they cut those  
dungarees, never knew  
That girls had ankles and those dreamy dimpled  
knees.

It was dullsville in our village, till things took a different  
shape, now  
The cats all call it wigsville, since those nylons drove us  
ape.

Long Black Nylons, oh yes, Long Black Nylons, 5inch  
heels and flowing  
Curves, that's the way that I discovered some were  
boys and some were

Girls.
