I'm the lowest of the low  
I'm the sickest of the sick  
They let me out the funny farm  
Just to put me in the nick  
Then they let me outta the hole  
Just to crush me on the dole  
I'm the lowest of the low  
A rockin boppin lunatic

Whack for me daddy  
I'm a rock'n'roll paddy  
Whack for me daddy  
I'm a rock'n'roll queen  
Whack for me daddy  
I'm a rock'n'roll paddy  
Stick another record  
in the record machine

Here's to Geno, here's to Eddie  
Here's to sad songs Big O sings  
Here's a letter from Elvis Presley  
Big Tom is still the King

I will stalk them in the back seats  
I will stalk them in the bars  
Rape their women and scare their children  
Burn them in their brand new cars
