See the man  
The crushed up man  
With the crushed up Carrolls packet in his hand  
Doesn't seem to see or care  
Or even understand  
And all he says is:

F yez all, F yez all, F yez all

Once he stood in a bar room brawl  
With a broken bottle in his hand  
Screaming:

F yez all, F yez all, F yez all, F yez all

The coppers came  
Dragged him away from his crucified Lord  
Beat him up in a meat wagon  
And they stood him up in court  
And all he had to say was:

F yez all, F yez all, F yez all, F yez all

St John Of Gods, St John Of Gods  
St John Of Gods, St John Of Gods

See the man,  
The crushed up man  
With the crushed up Carrolls packet in his hand  
Doesn't seem to see or care  
Or even understand  
And all he says is:

F yez all, F yez all, F yez all, F yez all

St John Of Gods, St John Of Gods  
F yez all, F yez all
