The door seems so heavy
as I'm leaving you, you're gone
my pace quickens
as I'm beginning to move on/
and the airport signs have all blurry
cause my eyes are fighting back tears
and I'm too quick to worry
cause worry is led by fear//

Of losing you
I'm lost in the game
I'm too confused
to feel the same
and I'm one step too close
and too far ahead
to lose again

The pages are turning
and the phone begins to ring
stories unfolding
memories to bring/
and the picture on the wall is swinging
and I hear your voice again
it's hard, hard to begin//

I'm losing you
I'm lost in the game
I'm too confused
to act the same
and I'm one step too close
and too far ahead
to lose again

The door seems so heavy
as I'm leaving you, you're gone
my pace quickens
as I'm beginning to move on/
And the pictures on the wall
seem different than they did before
I'm just scared

Of losing you
I'm lost in the game
I'm too confused
to feel the same
and I'm one step too close
and too far ahead
to lose again
