Dawn early,
6 AM
Stuck in bed
Thinking of you again.
The sun rises late on the early birds wings
writing melodies for the stars to sing.
Darkness day
we disappear
into a snow globe
all I hear-
the pulse,
the sound,
oh all around.
It changes you, it changes me

CHORUS

But I can see the stars in your eyes
just like yesterday
and Oh what a Beautiful surprise- you are
Don't say goodbye, I'll see you soon
Oh please don't say goodbye
Tomorrow I'll be with you

World stops.
No sound.
Spinning circles when you're around
It doesn't matter that
what they're staring at isn't going to disappear.
Spin me circles,
ready round.
Please don't leave this-
safe and sound.
Nothing feels the same- now that you're not around.
Back to yesterday.
Keep the call,
one more fall.

CHORUS 2X

But I can see the stars in your eyes
just like yesterday
and Oh what a Beautiful surprise- you are

Don't say goodbye, I'll see you soon
Oh please don't say goodbye
Tomorrow I'll be with you
