somewhere in london in the middle of nowhere  
didn't have nothing to do that day  
didn't wanna do nothing anyway

you got a way of walking

sinÃfÂ©ad:

you got a way of talking

shane:

and there's something about you

and now i know i never ever wanna be without you

both:

i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost

of your precious love  
of your precious love

first time i saw you standing in the street  
you were so cool you could have put out Vietnam

all the girls ask "what's he like?"  
i said "he's kind of shy but that's the kind of girl i am
