Mr. Chatterbox how long will you live?
Always to receive but never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You teeth and you tongue a go let you down
And a when them let you down we a go batter you
around
Bif, baf, boof, those are the blows you're gonna get
Mr. Talkative, I know you will regret

Mr. Chatterbox how long will you live?
Always to receive but never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You teeth, teeth, teeth, and tongue, tongue, tongue a
go let you down
And a when them let you down we a go batter you
around, hey
Bif-an, baf-an, boof, those are the blows you're gonna
get, hey
Mr. Talkative I know you will regret

Mr. Chatterbox how long will you live?
Always to receive but a never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You teeth and tongue a go let you down
And a when them let you down we a go batter you
around
Bif-an, baf-an, boof-an, that's the blows you gonna get
Mr. Chatterbox, I know you will regret

Ooh yeah, Mr. Chatterbox, ooh yeah
Mr. Chatterbox, ooh yeah
Watch him, Mr. Chatterbox
