Oh yeah
Said your gonna
Punky, punky, punk

New wave, new phrase
New wave, new craze

Goin' to a party
And I hope you are hearty
So please don't be naughty
For it's a punky reggae party

New wave, new craze
New wave, new phrase

It takes a joyful sound
To make the world go 'round
Come with your heart and soul
Come a come rock your bone

It's a punky reggae party
And it's tonight
It's a punky reggae party
And it's alright

What did you say?
Rejected by society
Treated with impunity
Protected by my dignity
I search for reality

New wave, new craze
New wave, new wave, new phrase

I'm sayin', "The Wailers will be there
The Damned, The Jam, The Clash
Maytals will be there
Dr. Feelgood too"

Ooh, no boring old farts, no boring old farts
No boring old farts will be there

No boring old farts, no boring old farts
No boring old farts will be there

Well, it's a punky reggae party
And it's tonite
It's a punky reggae party
And it's alrite

A tip from a gypsy
She said "Man you gettin tipsy"
Hidin' from reality
In your world of hypocrisy

In your world of hypocrisy
In your world of hypocrisy
In your world of hypocrisy
In your world of hypocrisy

Look out
A bubble, a bubble
Hey, lookin' for no trouble

But if you trouble, trouble
We'll give it to you double
Let me tell you

It takes a joyful sound
To make the world go 'round
It takes a joyful sound
So come a come a rock your bone

'Cause it's a punky reggae party
And it's tonite
Well, it's a punky reggae party
And it's alrite

A tip from a gypsy
She said, "Man, you gettin' tipsy"
Hidin' from reality
In your world of hypocrisy

In your world of hypocrisy
Said you're hidin' from reality
In your world of hypocrisy
In your world of hypocrisy

Let me say that
A bubble, a bubble
A bubble, a bubble

A bubble, a bubble

A bubble, a bubble
A bubble, a bubble
We ain't lookin' for no trouble

New wave, new phrase
New wave, new craze
