The world is sleeping, but I'd rather be awake
Hear the silence and what she's got to say
All your sorrows, let them drift away
I get the feeling, that every thing'll be okay
Come and embrace me, my sweet lullaby

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

Lost in the moment, don't want it to end
So I'm finding, you my waiting friend
Soon you'll embrace me, my sweet lullaby

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

Carry me far from my troubles tonight
Bring me back safely in the morning light

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

Softly, softly, as I close my eyes
Come and embrace me, my sweet lullaby

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

La, la, la, la, la, la
La, la, la, la
La, la, la
Carry me away

Carry me away
(Carry me away)
Carry me away
(Carry me away)
