I couldn't resist him  
His eyes were like yours  
His hair was exactly the shade of brown  
He's just not as tall, but I couldn't tell  
It was dark and I was lying down

You are everything - he means nothing to me  
I can't even remember his name  
Why're you so upset?  
Baby, you weren't there and I was thinking of you when  
I came

What do you expect?  
You left me here alone; I drank so much and needed to  
touch  
Don't overreact - I pretended he was you  
You wouldn't want me to be lonely

How can I put it so you understand?  
I didn't let him hold my hand  
But he looked like you; I guess he looked like you  
No he wasn't you  
But you can still trust me, this ain't infidelity  
It's not cheating; you were on my mind

Yes he looked like you  
But I heard love is blind...
