sometimes I feel you're not listening
sometimes I feel you don't understand
but I think I've got the answer
already know what you're gonna say

chorus:

cause I'm just a little girl you see
but there's a hell of a lot more to me
don't ever underestimate what I can do
don't ever tell me how I'm meant to be

you say I'm just a little girl, just a little girl
how can I compare? What do I know?
what have I got to share?
but there's nothing in this world, nothing in this world
that could hold me down, can't you hear me?
don't you understand
that I wanna be myself, wanna be the girl,
wanna be the one that you can rely on
how I wish that you could see all there is of me
how I long to hear that you take me
for who I am

chorus x2

sometimes I feel you're not listening
sometimes I feel you don't understand

chorus x2
