yea, yea ,yea, shooby dooby

just one more word n im gunna explode

im gunna self-combust

im gunna blow up the world,

just one more look your gunna cross the line

i mean over the edge, your on thin black ice

ohhhhh theirs a little bit of spyc0 im me i confess

why do you wanna pick on me n not the rest?

dose it make you feel big?

dose it make you feel clever?

so tell me hows the weather

if i just had a little more time id get some duck tape n  
silver wear,

ohhh id i just had a little more time.

(chorus)

id show you, the world feels so

much better when you find you dont fit

theres a ladder in your tights 'n'

who gives a whaaaa if whoops you aint shiny

'n' perfect theres a ladder in my tights n thats the way  
uh hur i like it

thats the way i feel about it

you be tryin to hitch a ride with me when it finally hits  
you.

yea, yea, yea

just one more push try to make me your clone

markin me out of ten for the labble on my cloves.

just one more sqwake n im gunna hit back

im gunna burn down your house in a heated attack

ohhhhhh theirs a little bit of devil in me i confess coz  
you wanna

pick on me n not the rest.

if i had just a little more time id get some c4 n dinomite

ohhhhhh if i just had a little more time

id show you,

the world feels so

much better when you find you dont fit

theres a ladder in your tights 'n'

who gives a whaaaa if whoops you aint shiny

'n' perfect theres a ladder in my tights n thats the way  
uh hur i like it

thats the way i feel about it

you be tryin to hitch a ride with me

hay you will all be comeing round

with the time you find yourself

free yourself from the croud

much better when you find you dont fit

theres a ladder in your tights 'n'

who gives a whaaaa if whoops you aint shiny

'n' perfect theres a ladder in my tights n thats the way  
uh hur i like it

thats the way i feel about it

the world feels so

much better when you find you dont fit

theres a ladder in your tights 'n'

who gives a whaaaa if whoops you aint shiny

'n' perfect theres a ladder in my tights n thats the way  
uh hur i like it

thats the way i feel about it

you be tryin to hitch a ride with me

when it finally hits you
