so you think youve got it all worked out
you got your hot pants on
you got your arse right out you
think that you are something new and special
me and my drop dress we wont do at all

i spent so long tryin to fit the prototype
i kept a'stikin' in the gears and i never got it right oh
whats the use
whats the point
youve got the wrong girl
oohh

so keep on doin what
your doin down there
cause ill be flying higher
waste your own time
i dont care
anything you can do i can do better

all you girls
you look and flip your hair
and wonder why im still here well
your superficial im a misfit
but baby thats ok
all you girls
when you look into the mirror
tell me how do you appear well
your superficial im a misfit
your superficial im a misfit
but thats ook

so you got your little groups and gangs
you got your v.i.p your member only things
your happy-clappys and your v.c crew
and if you get in their way they got 10 on you
but i dont wan'b in that game dont wanna follow the
leader noway
whats the use
whats the point
youve got the wrong girl

oooh

so you can do what
your doing down there
coz ill be flying higher
waste your own time
i dont care
anything you can do
i can do better

all you girls
you look and flip your hair
and wonder why im still here well
your superficial im a misfit
but baby thats ok
all you girls
when you look into the mirror
tell me how do you appear well
your superficial im a misfit
your superficial im a misfit
your superficial im a misfit

so wat we dont look the same
(so what we dont ,so what we dont)
so what i dont play your game
(so what i dont ,so what i dont)
so what if i dont

all you girls
you look and flip your hair
and wonder why im still here well
your superficial im a misfit
but baby thats ok
all you girls
when you look into the mirror
tell me how do you appear well
your superficial im a misfit
your superficial im a misfit

all you girls
you look and flip your hair
and wonder why im still here well
your superficial im a misfit
but baby thats ok
all you girls
when you look into the mirror
tell me how do you appear well
your superficial im a misfit
your superficial im a misfit
your superficial im a misfit (but thats ok)
