Tears Dry On Their Own

All I can ever be to you is a darkness that we knew  
And this regret I got accustomed to  
Once it was so right  
When we were at our high  
Waiting for you in the hotel at night  
I knew I hadn't met my match  
But every moment we could snatch  
I don't know why I got so attached  
It's my responsibility  
You don't owe nothing to me  
But to walk away I have no capacity

He walks away the sun goes down  
He takes the day but I'm grown  
And in this grey,  
In this blue shade  
My tears dry on their own

I don't understand  
Why do I stress the man?  
When there's so many bigger things at hand  
We could've never had it all  
We had to hit a wall  
So this is inevitable withdrawal  
Even if I stop wanting you  
And perspective pushes true  
I'll be some next man's other woman soon  
I cannot play myself again  
Should just be my own best friend.  
Not fuck myself in the head with stupid men

He walks away the sun goes down  
He takes the day but I'm grown  
And it's ok,  
In this blue shade  
My tears dry on their own

So we are history,  
Your shadow covers me

The sky above ablaze  
A blaze that only lovers see

He walks away the sun goes down  
He takes the day but I'm grown  
And in your way  
In this blue shade  
My tears dry on their own

I wish I could sing no regrets  
And no emotional debt  
Cause as we kissed goodbye the sun sets  
So we are history  
A shadow covers me  
The sky above ablaze  
That only lovers see

He walks away the sun goes down  
He takes the day but I'm grown  
And in your way  
My blue shade  
My tears dry on their own

He walks away the sun goes down  
He takes the day but I am grown  
And in your way  
My deep shade  
My tears dry on their own

He walks away the sun goes down  
He takes the day but I'm grown  
And in your way  
My deep shade  
My tears dry
