[Ifthikar]

Gum Hain Kyu yeh fiza
Teri Zulfon ki hai yeh ada

[Rayshad]

It's That Moment when I look in your eyes, I see, I feel
my day's gonna
Start real fine
Begin with sunshine, end up in moonlight, Sing it baby
lets get this going
Right
It's That Moment when you bring in your smile, I see & I
feel that you're
Only mine
I can't deny, that baby you're so fine

[Ifthikar]

Gum Hain Kyu yeh fiza
Teri Zulfon ki hai yeh ada
Tu hi tu hai yehi
Khoye Aasma aur Zameen
Tu hain Armaan
Tu hain sapna
Saanse de zara
Tu Jo hai khuda
Tu jo hai Subha
Lamha de zara

Gum Hain Kyu yeh fiza
Teri Zulfon ki hai yeh ada

[Rayshad]

It's That Moment when you bring in your smile, I see & I
feel that you're
Only mine
I can't deny, that baby you're so fine
