Waiting patiently to turn in our emergency forms
The room is filled with anxiety we wanna turn them in
Someday she may pass out and she could die right on
the floor
But IÂ'll be there for her cause I turned in my

emergency forms

She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend

She ended up being OK breathing all school year long Her hair so nice and skin so tight I want to be her friend We talked one time and she was scared I thought sheÂ'd die right there And if she did I could have saved her cause I turned in my forms

She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend She knows IÂ'm her savior and her friend
