Fly as a bird in the sky
As a kite way up high
Look through the cloud
Turn your thoughts up so loud
(but I can't hear them)

And I turn
And I'm gone
And I can't seem to stay for long
And I walk
Through the door
And I leave you on the floor
And I climb
Up a hill
And I look down at my hell
And I wait
For the snow
And I melt in the afterglow

Go to the oceans down below
See the rivers pale blue glow
And the earth is all around
Clutching fondly with its mounds

And I turn
And I'm gone
And I just can't stay for long
And I turn
