Arise (arise)  
And awaken  
He is King (He is King)  
He is King  
Arise (arise)  
My soul Awaken  
All flesh is grass  
Surely is fading (surely is fading fast)  
Oh soon it's all gone  
And we'll fly away  
Oh soon it's gone, it's gone

Oh You are the Maker  
The life sustainer (life sustainer)  
and everything comes  
Everything goes  
When You give the Word  
Have mercy oh Lord  
And satisfy (satisfy)  
we will all arise

Arise  
My soul awaken  
That I might sing (I might sing)  
And be happy all my days  
How long (satisfy) will there be mourning  
Return to us (return Lord Jesus)  
Return to us

Oh soon it's all gone  
and we'll fly away  
Oh soon it's gone, it's gone

[chorus]

Teach me to number my days  
At the most 80 years  
Who cares about meaningless things

I do and I care about art too and I care about yahoo  
Things that are fleeting and  
Fading away

Awaken my soul  
Awaken my soul

[Chorus twice]
