What are you gonna do
When the doctor comes
Into the waiting room
Puts his hand on you
And says I'm sorry?

What are you gonna say to God
When all you do is pray to God
To take the thorn away?
And all you hear Him say is:

My grace, My grace
My grace is sufficient
My grace is sufficient
[x2]

What are you gonna do
When your neighbor walks
Into your living room
And you to tell him
Who could deliver them
Like He delivered you?

What are you gonna say to God
When all you do is pray to God
For them to know His name
And all you hear Him say is:

My grace, My grace
My grace is sufficient
My grace is sufficient
[x2]

My grace, My grace
My grace is sufficient
My grace is sufficient
[x4]

It's all you need

What are you gonna say to God

When everything you prayed to God
Came your way but you forgot to thank Him?
And all you hear Him say is
My grace
