Lift up the light of Your countenance
Lift up the light of Your countenance
Upon us, upon us oh Lord
[x2]

For when the Son is lifted up we'll see

You are the light of the world
Light up our darkness
When the night is upon us
You are the light of the world
Nations will walk by the light
Of the glory of a holy God

Lift up the light of Your countenance
Lift up the light of Your countenance
Upon us, upon us oh Lord
[x2]

For when the Son is lifted up we'll see

Oh Holy One, brighter than the sun
We lift our hands and sing
You are glorious, shine Your light on us
Till Your light in us is seen
[x2]

Lift up the light of Your countenance
Lift up the light of Your countenance
Upon us, upon us oh Lord
[x2]

For when the Son is lifted up we'll see

You are the light of the world
Light up our darkness
When the night is upon us
You are the light of the world
Nations will walk by the light
Of the glory of a holy God
[x2]
