Just singin' a Gospel song today
Get ready to send the years of guilt and shame away
The years of failing, the years of nailing up yourself
To a cross you can't bear, that's why He is there

What a beautiful day
When He washed all our sins away
What a beautiful day

By grace you have been saved
By grace you have been saved
By grace you have been saved
By grace, through faith, through faith, yeah

And even the faith I have to sing
Halle, Halle, Hallelujah to my King
It's freely given
That I might not boast in myself but Him

What a beautiful day
When He washed all our sins away
What a beautiful day

By grace you have been saved
By grace you have been saved
By grace you have been saved
By grace, through faith, through faith, yeah

I can't sing it enough, say it enough, play it enough
When will I get it?
Oh, I can't earn it and no I don't deserve it
I can't say it enough

By grace you have been saved
By grace you have been saved
By grace you have been saved
By grace, through faith, through faith

By grace you have been saved
By grace you have been saved
By grace you have been saved
By grace, through faith, through faith, yea
