Hey, hey, sweet daughter  
I'm so proud to be your father  
Each day is like a gift from God

Hey, hey, sweet daughter  
There's no music like your laughter  
And your smile is like the rising sun

You know I've loved you from the start  
So come in close, take my hand  
While daddy shares his heart

I wish that I could be your everything  
Be the one to give you all the things you need  
Sometimes I'm gonna let you down

There's someone and if you just believe  
He'll be your hero like He's always been for me  
Darling, Jesus is the One you need

No matter what you walk through  
He will always love you  
Just the way you are

For there's nothing in this world  
That I want for my baby girl  
Than to be happy ever after

The story of your life is still untold  
I pray the king of all the universe  
Would make your heart His home

I wish that I could be your everything  
Be the one to give you all the things you need  
Sometimes I'm gonna let you down

There's someone and if you just believe  
He'll be your hero like He's always been for me  
Darling, Jesus is the One

Who will never leave, He's been there all along

Oh when you're ready, you can find true love

I wish that I could be your everything  
Be the one to give you all the things you need  
Sometimes I'm gonna let you down

There's someone and if you just believe  
He'll be your hero like He's always been for me  
Darling, Jesus is the One you need
