Come meet us, King Jesus
Oh, wind of change blow through this temple
Sweet spirit of God, come and mend our hearts
For all we have are songs, unless you come

Awaken what's inside of me
Tune my heart to all You are in me
Even though you're here, God come

And may the vision of You be the death of me
And even though
You've given everything, Jesus come

Come free us, King Jesus
It's the only way that freedom's given
From you and you alone in the work You've already
done
For all we have are songs, unless You come

Awaken what's inside of me
Tune my heart to all You are in me
Even though you're here, God come

And may the vision of You be the death of me
And even though
You've given everything, Jesus come, oh, Jesus come

Here we are in this place
Crying out for Your embrace
To hear Your voice more than songs
Oh, please come, Jesus come

Awaken what's inside of me
Tune my heart to all You are in me
Even though you're here, God come

And may the vision of You be the death of me
And even though
You've given everything, Jesus come, Jesus come

Awaken what's inside of me
Tune my heart to all You are in me

Even though you're here, God come

And may the vision of You be the death of me
And even though
You've given everything, Jesus come

[Incomprehensible] Jesus come
