

Shane & Shane "Waiting Room"

Visit "[Waiting Room](#)" on MotoLyrics.com

I will run when I cannot walk
I will sing when there is no song
I will pray when there is no prayer
I will listen when I cannot hear

Sitting in the waiting room of silence
Waiting for that still soft voice I know
Offering my words up to the rooftop to Your heart
Trusting that this closet's where You are

Lord I know if I change my mind
You will change my heart in time
Sovereign Lord this time's from You
So I sit in the waiting room of silence
Cause it's all about You

I will fight when I cannot feel
I will trust when You don't seem real
I will tell when I cannot speak
I will step when I cannot see
