When hard times fall on me and you,
lately there have been more than few,
we hold on tight,
and make it through somehow.

When ever hill is straight up and long,
the carefree how is just a song,
we gotta laugh,
and sing a long real loud.

Everybody feels a cold hard rain,
i swear sometimes its never gonna end,
me i get so tired of waiting,
worry's just an understatement.

I look at that lazy river,
wonderin how it feels to be so free,
i go to my thankless job,
work hard while my body holds up on me.

I lie in my bed at night,
pray heaven help me to face a fight,
i thank god when this world's tough on me,
lovin' you is so easy.(x2)

But holdin' you,
oh, it's just like breathin,
afternoon,
got that sunday feelin.

On and on,
let me just stay this way,
come on baby.

I look at that lazy river,
wonderin how it feels to be so free,
i go to my thankless job,
work hard while my money holds up on me.

I lie in my bed at night,
pray heaven help me to face a fight,
but thank god when this world's tough on me,

lovin you is so easy.(x2)
