I can't deny  
but I fell for you  
and I don't know why  
in the blink of an eye.  
It was the first time we met and  
the way my heart went out for you,  
It didn't make sense,  
no, It didn't make sense.

You got me dumbstruck with no luck  
what am i thinking of?  
Can't keep my stupid mouth shut  
like what am i talking about.

I can't unwind  
and the thought of you is so hard to shake,  
and i need a break from you.  
And I can't avoid  
seeing you around so hard  
because It's everyday,  
I see you everyday.

You got me dumbstruck with no luck  
what am i thinking of?  
Can't keep my stupid mouth shut  
like what am i talking about.  
And I can't even strike a simple conversation up with  
you  
got me dumbstruck with no luck,  
girl I'm so messed up.

It's so hard to fake a smile,  
being without you for a while  
everyone's obsessed with you,  
and I can't break thru.

You got me dumbstruck with no luck  
Can't keep my stupid mouth shut  
and I can't even strike a simple conversation up with  
you  
got me dumbstruck with no luck

and It's so messed up

You got me dumbstruck with no luck  
what am i thinking of?  
Can't keep my stupid mouth shut  
like what am i talking about.  
And I can't even strike a simple conversation up with  
you  
got me dumbstruck with no luck,  
girl I'm so messed up.  
got me dumstruck with no luck,  
you got me dumbstruck with no luck.
