It takes a long time to get over there
Nearly seven hours in the air
But if that's where my love lies waiting for me
Then seven hours it'll have to be

So I'll pack my bags and leave this place
With no money in my pocket but a smile on my face
I'll leave the key on a plate by the door
Cos I don't know that
I'll be comin' back here any more

Cos I'm lookin' for a long time love
Oh yeah I'm lookin' for a long time love

I'm gonna find those eyes, see that look
Paste back the pages in the record book
He took my heart, stole my soul
Dipped me into the sugar bowl

And before he traveled to his land
He smiled at me and took my hand
Said Baby Baby come be with me
Come flyin' over the briny sea

It takes a long time to get over there
Nearly seven hours in the air
But if that's where my love lies waiting for me
Then seven hours it'll have to be

Cos I'm lookin' for a long time love

Oh yeah I'm lookin' for a long time love

So air and water, earth and fire
Carry me safe to my desire
Never make me further roam
From my most beloved newfound home

Oh Lord above who knowest all
Who seest even the sparrow's fall
Bless my journey, fly with me

From the brave hills of Scotland
To the land of the free

Don't You hear me saying Ahhh ahhh ahhh
Oh yeah, Ahhh ahhh ahhh
Don't You hear me saying Ahhh ahh ahh
Oh, Yeah, Looking for a long time love
Looking for a long time love
Ooh yeah looking for a long time love)
