Seems like the other day
My baby went away
He went away 'cross the sea
It's been two years or so
Since I saw my baby go
And then this letter came for me
It said that we were through
He found somebody new
Oh, let me think, let me think, what can I do?
Oh no, oh no, oh no no no no no

[Remember] walkin' in the sand
[Remember] walkin' hand in hand
[Remember] the night was so exciting
[Remember] smile was so inviting
[Remember] then he touched my cheek

[Remember] with his fingertips
Softly, softly we'd meet with our lips

Whatever happened to
The boy that I once knew?
The boy who said he'd be true
Oh, what will happen to
The life I gave to you?
What will I do with it now?

[Remember] walkin' in the sand
[Remember] walkin' hand in hand
[Remember] the night was so exciting
[Remember] smile was so inviting
[Remember] then he touched my cheek
[Remember] with his fingertips
Softly, softly we'd meet with our lips
