Baby oh baby I love you,love you so madly  
Baby oh baby I need you,need you so badly  
Baby oh baby there is nothing I wouldn't do for you

Yeah, I go walkin' down the street (1)  
There is a favorite, favorite girl I meet  
Yeah,yeah,yeah, on the arm to look nice  
But then when I'm with you,I'm in paradise

Baby I love you, oh baby I do  
Baby oh baby why don't you be true  
Baby oh baby there is nothing I wouldn't do  
for you

repeat (2)

Baby I do I do love you
